

It can take up to 7,000 litres of water just to grow the cotton required for one single pair of jeans, and about 1,500 litres of water for one simple cotton t-shirt!

# IF IT'S BROKE, FIX IT!

When your item is finally beyond repair, make sure to bring it in for proper recycling - call us to find out where!

Items for the share shed can be labelled with their working condition... ie. 'works just fine' or 'only needs \_\_\_\_\_ to work'
